EPA RCRA ID Number: TXD070890603	Date: May 01, 2006
PARTNER AGREEMENT	
Our organization is choosing to become a partner in EPA's National l	Partnership for Environmental Priorities. Our goal is to reduce the
quantity of one or more Priority Chemicals currently found in our pro	
reduction, recycling, or other materials management practices. In thi	
that we believe we can achieve as partners in this program. The volu	
change over time. We may revise our goal(s) or withdraw from the p	program at any time. If/when we choose to revise our goals or
withdraw from the program, we will notify EPA.	
GOAL #1. Chemical Name: Mercury	CASRN: _ 7439-97-6
Narrative description of proposed project:	0.2024.0
Replace spent hazardous lamps with non-hazardous lamps where a	applicable. Begin sending spent hazardous lamps to a recycler
instead of disposing of them as hazardous waste.	
How we will measure success: We will inventory spent hazardous lamps as they are generated and We expect to see the quantity generated and shipped to decline to a la. Our voluntary source reduction goal for Chemical #1 is to reduction	a minimum over time.
amount of pounds in (month/year) to a r (month/year).	
1b. To accomplish this goal, we will use the following source reducti Equipment or technology modifications.	
Reformulation or redesign of products.	Substitution of less toxic raw materials.
Improvements in inventory control. Other (describe):	Improvements in maintenance/housekeeping practices.
2a. In addition to, or in lieu of using source reduction methods, our vincrease the recycled or recovered quantity of this chemical from a background from the following pounds by	aseline amount of <u>0</u> pounds in <u>June, 2006</u>
2b. To accomplish this recycling or recovery goal, we will use the fold in a process to make a product. Processing the waste to recover or regenerate a usable processing the waste as a substitute for a commercial product.	oduct. duct.
X Other (describe): Ship spent hazardous lamps off-site for	or recycling instead of disposing as hazardous waste.
